Mark Bennett

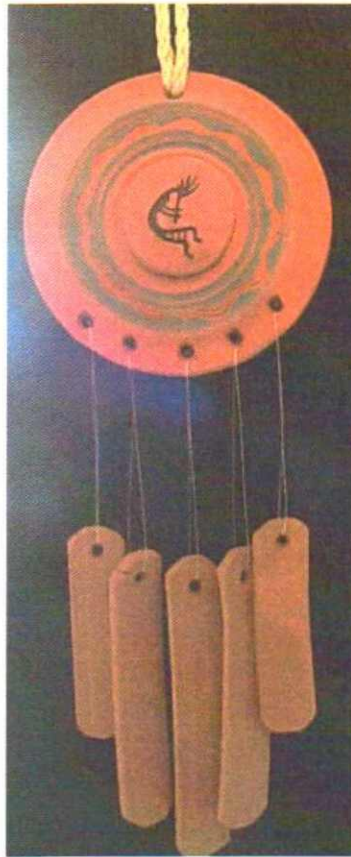

Mark's interest in throwing pottery started when he got a job loading kilns for a major local production pottery here in Albuquerque. Watching the potters at their wheels mesmerized him. With a little pestering, Mark got the plant manager to let him sit down at one of the wheels.

Luckily, Mark received instructions from most of the production potters. That was in 1975 and it's been non-stop since. He later opened his own studio in 1981 making many different items.

These items include:

- Gardenware
- Wind chimes
- Bird feeders
- Gourmetware
- Pie Birds
- Veggie Steamers
- Wallware
- Wall pockets
- Mirror Frames
- Candleware
- Holder to Lanterns

ALL ARE WEATHER-PROOF,
MICROWAVE SAFE, DISHWASHER SAFE
AND NON-TOXIC.
