Stanley Buss as Sturdy Oak Woodcrafters

"Creating excellence since 1981"

All of our butcher blocks and utensils are made from select hardwoods - mainly oak, maple & walnut. They have been finished with a non-toxic tasteless & odorless application of mineral oil. For general maintenance & care of your product, occasionally rub in a small amount of mineral oil, which can be found in grocery stores or a pharmacy.

Never place in dishwasher or leave soaking in dishwater.

Awards
