Gary & Brenda Jaramillo G & B Enterprises

Native New Mexicans, Gary & Brenda Jaramillo, are making art a family affair. Gary's passion for working with metals & Brenda's passion for ceramics & jewelry led to their present collaboration of ingenious sculptures representing the "Shamna" or healer in folklore. A rare combination of copper & steel with wire accents creates unique decor for any contemporary southwestern environment. Their work is carried by galleries throughout the southwest.

Shaman

Religious practitioner who is believed to be able to diagnose & cure illness because of a special relationship with, or control over, spirits. Different forms of Shamanism are found around the world; they are also known as medicine men.
