Carol Johnson Sweet Cheeks Crafts

Carol Johnson started Sweet Cheeks Crafts as a means of "legitimizing" her hobbies and making her products available to others. The soaps are all made in small batches - only 8 to 12 bars per batch. They all contain vegetable oil, olive oil, coconut oil, cocoa butter, natural and essential oils, milk, and oatmeal. Each batch is meticulously mixed. After being cut into bars and cured for a minimum of 4 weeks, bars are individually wrapped, first in tissue paper, then in fabric, and finally, labeled. Natural and essential oils are mixed in unusual combinations to create unique fragrances.

The stuffed hearts serve no purpose whatsoever - they're just colorful and fun. When included with another gift or given alone, they add a special expression of caring.
