Sheri Stein

Sheri Stein is a near native New Mexican who has worked with many art forms. She studied music & art at UNM, cartooning at Berkeley, watercoloring in the San Francisco area & metal working in New Mexico. This all led to a whimsical blend of all of the above; found objects & various metals, soldered, hammered, filed, patinaed, painted & adorned into jewelry & humorous characters to hang upon the walls. She loves creating

these caricatures almost as much as she loves watching people smile when they see them.
