I started my own business in May 2000 & began specializing in jewelry making within several months. I belong to the New Mexico bead society. My jewelry can be found in Weems Gallery.

I was the winner of the People's Choice Award, sponsored by Mama's Minerals, for jewelry bead stringing, in June 2001 & 2002. I took a 2nd & 3rd place in two professional categories at the 2001 NM State Fair. I also participated in the Jewelry Show in May 2001, Traditions in June 2002 & the Best Bead & Glass Show in November 2001.

When I began making my jewelry, I made earrings & I used the memory wire technique for my bracelets. I still make those type of bracelets & necklaces, but have added toggle clasp necklaces & bracelets to my line.

Except for the memory wire, which is stainless steel, all of my findings are sterling silver. I use hypoallergenic earwire for those with sensitive ears. I work with glass beads as well as other types of beads.

I also have created a line of playful ornaments with my bead & metal wire techniques.
