True North Soap & Candle Co

by Carmen Duarte & Bertha Costales

As moms, our company was formed out of a desire to provide for our families. We decided it was time to strike out on our own. This was the perfect opportunity to further develop products that our family & friends were already enjoying.

We have spent time researching the quality materials & techniques that go into our candles. The result is a long burning, highly scented candle. We hope you enjoy them as much as we do.
